

## **Welcome to MyBeauty!**

We are delighted that you have chosen MyBeauty! This introduction will show you how the app works and how to use it effectively.

### **Registration and Personal Information**

Step 1: Sign up using your email address or social network account.

Step 2: Complete your profile with the following personal information:

First and last name

Gender

Date of birth

Email address

Country

City

Location

This information is handled confidentially, is not publicly displayed, and is protected under our privacy policy. It is used for internal purposes only and will not be shared with third parties.

### **How to Start and Publish a Request for a Surgery/Procedure**

Step 1: Select your gender.

Step 2: Choose the affected body area.

Step 3: A selection of surgical procedures for the chosen body area will be displayed.

Step 4: Select the desired surgical procedure by clicking on it.

Step 5: Enter the desired date and location for your planned procedure. Provide detailed reasons for your request (aesthetic procedure, check-up, or other). Optionally, you can add additional written information.

Step 6: Click "Next Step" to proceed.

Step 7: Upload a photo or skip this part.

Step 8: Congratulations! Your request is now visible in the MyBeauty app for all service providers, doctors, and beauty institutes. You will receive a notification as soon as offers or inquiries come in. You can communicate and exchange information with doctors/service providers via the internal messaging service.

We hope this introduction helps you get started with MyBeauty smoothly. If you have any questions or issues, our support team is always here to help. Good luck on your journey to your desired treatment!
